

**A NEW PIECE TO OUR PUZZLE:  
CONTRACTORS ENVIRONMENTAL LIABILITY**

**CAN OTHER MARKETS OFFER YOU THESE  
COVERS UNDER A SINGLE POLICY?**

## KEY POINTS

1. For Asbestos Liability alone:
  - Both transport of asbestos & asbestos removal activities are included as standard
  - Other asbestos-related activities (e.g. testing/sampling, working with &/or making safe, etc) can be included
  - Available to property owners
  - Available as either Occurrence or Claims-made trigger
2. Errors & Omissions extends to asbestos removal and other asbestos-related activities
3. Professional Indemnity extends to asbestos removal and other asbestos-related activities
4. Statutory liability extends to asbestos removal and other asbestos-related activities
5. Run-off cover available when upgrading from Claims-made to an Occurrence trigger
6. **NOW WITH CONTRACTORS & ENVIRONMENTAL LIABILITY**
